In Memoriam

MISS MARIE REALY

1898-1954

On November 2, 1954, Hancock students and faculty were shocked by the sudden death of Miss Marie Realy, one of our first grade teachers.

A very kind person with a pleasant personality, she devoted her entire life to helping others, through teaching. A fatal heart attack struck as she sat at her desk before school, preparing to spend another day with the youngsters she loved.

Many members of the class of '55 began their school years in her classroom. Fond memories of first grade with Miss Realy will live on in our minds and hearts.

It was in her room that we learned such basic principles as cooperation, respect for others, courtesy, and dependability. These ideals which we virtually inherited from Miss Realy will remain with us throughout our lives.

In Memoriam

HARVEY D. ENGLISH
1899 - 1955

Harvey D. English, a member of the Board of Education for nine years and president since 1952, has been a true friend of the Hancock Central School. He has worked for the principles and aims of education through many concrete projects. He was generous of his time, efforts and money, and made it possible for the students of the Hancock Central School to gain many additional advantages through his kindness and generosity.

To be honest, to be kind;
To earn a little and to spend a little less;
To make upon the whole a family happier for his
presence;
To renounce when that shall be necessary and not to
be embittered;
To keep a few friends, but those without capitulation -
Above all, on the same grim conditions, to keep friends
with himself -
Here is a task for all that a man has of fortitude
and delicacy.

--Robert L. Stevenson

MRS. ELVA H. MACK

In sincere appreciation for all that you have done,
Though we've had trials and errors
We've also had our fun.
You've guided us through high school days;
And since they're nearly through,
We, the Class of '55
Dedicate our book to you.

Principal's Message

To the members of the Senior class of 1955:

May your tomorrow hold for each one of you an abundance of success and good fortune, health and happiness, prosperity and peace.

May you have a confidence in yourself and your training in addition to the will and initiative to carry you successfully through your darkest moments.

May the years spent at H.C.S. recall pleasant moments and steadfast friendships making them become more meaningful with the passing years.

May you bring honor and acclaim to your Alma Mater and in doing so set a worthy example for others who will follow.

My sincere congratulations and best wishes go with you as you stride forward into the future.
